

Objectables

HELLO

Yeah, yeah, yeah. We know you have bought all your Christmas cards already. We know you do your Christmas ordering sometime between the 1st and 2nd of January... but surely you have a little space left in amongst all the gorgeousness that you have stocked up on to sprinkle your walls with some of our nonsense? Actually, to be honest, we have a little bit of niceness mixed in with the naughtiness this year.

We have collected all our fab Christmas cards together, and added in a pile of nice shiny new ones. And we've also made a whole load of relation Christmas cards from our Fun Fairs range. We have Christmasized some of our best selling cards, and added a few new ones to our Rude Kids range. Hope you enjoy, and above all, and I say this without irony or sarcasm...

Merry Christmas, one and all.

Love from Tim, Annie, and the Objectables team.
